STATE UPDATE

March 15, 2016

FLORIDA

Here is the latest legislative/regulatory report for your State. AIHA government affairs will send the reports every week, detailing any legislative and/or regulatory pertinent to the profession in your state. The reports will also include the text of many bills (if available) and update activity on bills already reported. However, reports will only be sent if there has been new activity on the legislation and/or regulations already reported, or new legislation and/or regulations are found. Reports are sent to local section officers and may be forwarded to others if you wish. Questions contact Aaron Trippler at atrippler@aiha.org.
